"Bookfair Blizzard"

Northwood's Book Fair is back!

November 8th-16th

Northwood will host a Scholastic Book Fair November 8th-16th. This annual event always generates a lot of excitement, and we expect this year's Book Fair to be the best ever. The schedule will be as follows:

Preview Days

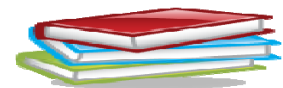

November 8th, 9th and 12th —each class will come to preview books and write their "Wish Lists," but there will be no buying these first three days.

Buying Days

- November 13th, 14th, 15th — each class will return to the Book Fair at a scheduled time to shop. (During these three days the Book Fair will open before school at 7:30 a.m. and remain open after school until 3:30 p.m. Children are welcome to join a parent who is shopping before or after school, but children will not be allowed to shop by themselves during these periods.) Friday, November 16th the book fair will be open for the final day until 3p.m.
- Monday Evening, November 12th—the Book Fair will be open during Family Fun Night. While dinner will be served from 5-7, the Book Fair will be open for purchases from 4-8 p.m.

Many volunteers are needed to make the Book Fair run smoothly. If you can help, please call or email either Tara Osborne (770/751-7005) taraosborne@bellsouth.net or Beth Litterer (770/343-6227) blitterer@bellsouth.net.

This is a great way to get some holiday shopping done early and remember, profits from this event directly benefit our Media Center. Mark your calendars, and we'll see you there!

Student Agendas—A Great Way to Communicate!

Danielle Evangelista, CST

All students in grades 3-5 have agendas. Agendas are used as an organizational tool as well as a communication tool for our students. Teachers and students use the agendas to keep track of assignments, projects, tests and special events. Agendas allow information to be relayed from school to parents and from parents to teachers.

Students record their homework in their agendas and parents and students can then keep track of homework, tests and projects. Parents, please review your child's agenda each day, go over the homework assignments and sign when you have reviewed the completed work with your child. The agendas are a great communication tool but are only effective if we all use them.

Science Textbook Adoption

The Elementary Science Textbook Adoption Committee has recommended two series for further consideration. These books will be on display at Northwood Elementary for teachers and parents to preview from October 29 until November 20, 2007. They will be located in the hallway behind the media center. Please stop by between the hours of 7:00 a.m.-4:00 p.m. to preview and comment on these books.
